1. Functionality

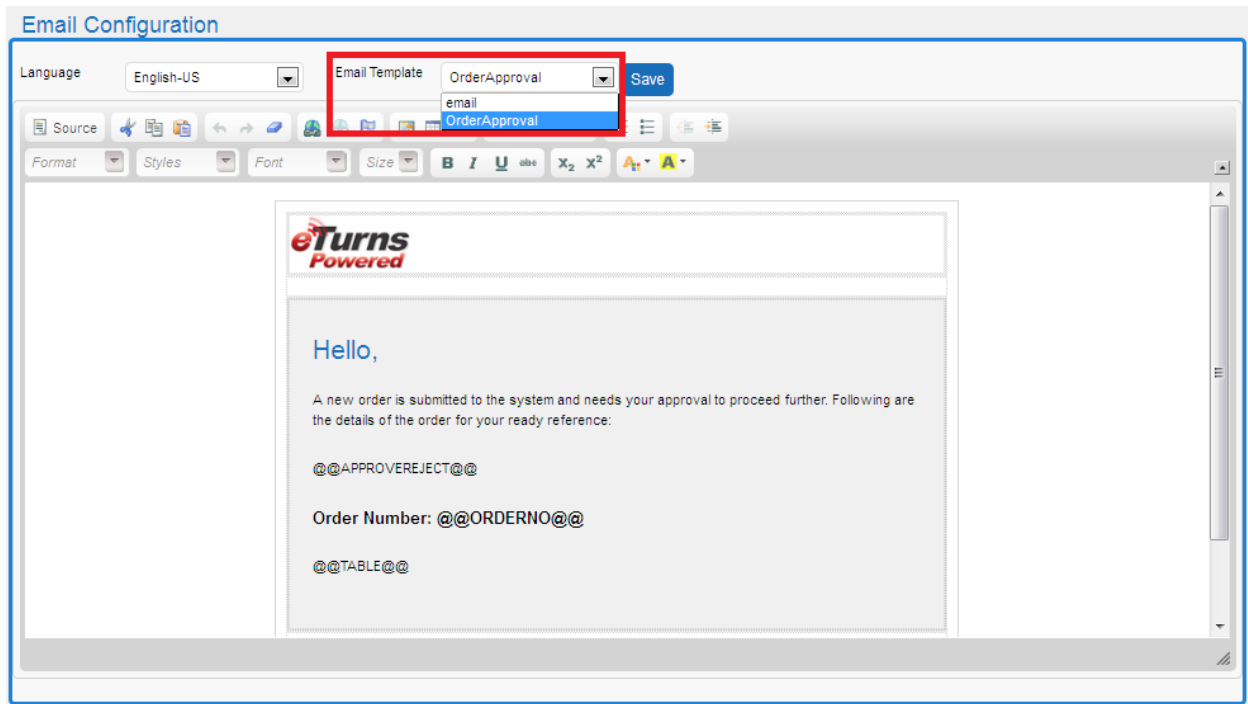

1. Language

This drop down enables user to choose between the various language options for the information to be displayed.

2. Email Template

This drop down enables user to choose the type of template they want to send their email in.

The screenshot displays the 'Email Configuration' window. At the top, there is a 'Language' dropdown set to 'English-US'. Next to it is the 'Email Template' dropdown, which is currently set to 'OrderApproval'. A red rectangle highlights this dropdown, and a blue rectangle highlights the 'email' option in the dropdown list. To the right of the dropdown is a 'Save' button. Below the dropdown is a rich text editor with a toolbar containing icons for Source, Undo, Redo, Bold, Italic, Underline, Text Color, Background Color, Bulleted List, Numbered List, Indent, Outdent, Link, Unlink, and Image. The editor content shows the eTurns Powered logo, followed by 'Hello,', a paragraph about a new order submission, and three placeholder codes: '@@APPROVEREJECT@@', 'Order Number: @@ORDERNO@@', and '@@TABLE@@'.

Note: Click  to save the template.
